

U.S. National Phase of International Application No. PCT/SE2004/000424  
Inventor: Jan KASSIBRAHIM  
Title: A SET OF TEATCUPS, AND A MILKING MEMBER  
Preliminary Amendment

**Remarks**

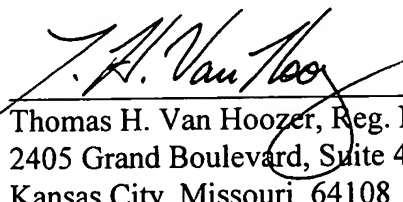

Applicant submits herewith a Preliminary Amendment for entry prior to computation of the fee and examination of the application on the merits. The amendment is submitted primarily to conform the application to U.S. abstract and claim practice and to eliminate multiple dependencies, and does not substantively amend the claims. Applicant believes the amendment submitted herewith conform the application to U.S. practice and it is believed that the amendment to the claims place them in allowable form. In view of the favorable International Preliminary Search Report, applicant submits that early issuance of the Notice of Allowance is in order.

Should the examiner have any questions which may be resolved by telephone conference, it is requested that the examiner contact applicant's attorney at 1-800-445-3460. Should this amendment necessitate any additional fees it may be charged to Deposit Account No. 19-0522.

Respectfully submitted,

HOVEY WILLIAMS LLP
